INTRODUCTION

Stella Maris Convent & Junior College, established in 2013, is an English Medium Co-Educational School managed by the Congregation of the Daughters of Mary. The charisma of the congregation is to work out people-oriented programme sensing the needs and signs of the times. We firmly believe that the primary aim of education is to form the human person, especially the young, rooting them firmly in justice, truth, peace and faith. Right from the foundation of D.M. Congregation, Msgr. Joseph Kuzhinjalil and Mother Mary Kallarackal started to create social and educational awareness among the people and the congregation has taken up pioneering steps in the fields of education. Today we understand and define education as a process and an endeavour catering not only to the child's mental needs but also to their physical, moral and aesthetic aspirations, there-by achieving the development of the total personality of the individual, making him/her an integrated and harmoniously developed person, valuable not only to himself/herself but also to the society as a whole.

MOTTO

STRIVE - THRIVE - SERVE

- Strive to actualise dreams and potentialities
- Thrive into a well-integrated citizen
- Serve one's family and society at large

VISION

- ❖ Value-based Qualitative Education to all who are in the pursuit of knowledge and enabling them to respect the dignity of human life.
- ❖ To equip the students with a keen sense of self-esteem and enable them to become responsible citizens and lifelong learners.
- ❖ To provide a welcoming, safe and stimulating environment where everyone is listened to and respected.
- ❖ To recognize and celebrate success in all aspects of school life with disciplined way of life.

MISSION

We focus on the wholesome development of young generation without discrimination to impart education by personal intervention and understanding the less privileged students compassionately.

INFRASTRUCTURE

SCIENCE LAB

Stella Maris Convent High School has setup a well-equipped laboratory with ample specimens, chemicals and instruments, so that each and every student gets the opportunity to carry out various experiments independently.

MATHS LAB

The school has setup a well-resourced Maths Lab with an approach to guide the students to learn and enjoy mathematics through shapes, patterns, and board games.

COMPUTER LAB

With the intention of accelerating a creative interest in modern technology and scientific knowledge, a computer lab with latest configuration computers and peripherals has been introduced. It is actively used for imparting computer skills and knowledge to the students so that they can also learn and grow in a multimedia environment.

LIBRARY

The School has a well-stocked, spacious library which consists of resource books and periodicals, besides 5000 categorized books of all subjects for establishing desirable study habits among students.

ADMISSION

- ❖ Registration for admission to the Nursery and KG is generally done in the month of March.
- ❖ Children who complete 3 years in the month of June are eligible for admission to Junior KG. Guardians seeking admission to KG section & Std 1st have to produce the true copy of the Birth certificate, Aadhar Card & a passport size photo of their wards.
- ❖ Admission to all the other classes will be done in the month of April depending on the availability of seats and on merit basis. Special consideration will be given to talented students in Sports, Games, and Cultural and Literary activities.
- ❖ Admission fee once paid, shall be non-refundable.
